

BOLZANO DANZA 2026

CALL - *Les Mémoires d'une Seigneure*

Take the Stage with Olivier Dubois!

Bolzano Danza 2026 is looking for **40 women of all ages** - no prior dance experience required - to join us for a landmark performance at this year's Festival.

Eleven years after the acclaimed *Les Mémoires d'un Seigneur* explored the isolation of a fallen tyrant, internationally renowned choreographer and Festival Co-Artistic Director **Olivier Dubois** returns with a powerful female reimaging: ***Les Mémoires d'une Seigneure***. This highly anticipated Italian premiere will take place in Bolzano on **July 24, 2026**.

This new production tells the story of a Queen—a symbol of profound solitude, a silent warrior, and a woman triumphant. The lead role, embodying this complex figure of a thousand stories, will be performed by the extraordinary **Marie-Laure Caradec**.

Who are we looking for?

We are seeking **40 women (18+)** who are eager to step into the spotlight and become an essential part of the creative process. You don't need to be a dancer.

What we value most is **presence, curiosity, a healthy spirit**, and the desire to dive into an intense, collective artistic journey.

Why join us?

Participating in this project means entering the creative world of a global choreographic icon for a few days. You will experience the stage from the inside, sharing the spotlight with a diverse group of women from all walks of life and performing as a featured dancer of the official Bolzano Danza lineup.
